

September 24, 2017 Twenty-Fifth Sunday in Ordinary Time

No Fair!

Sometimes God seems to act unfairly, but it is really God's generous justice in action. Perhaps having a bit more of God's generous nature would help us all be more just.

Living and Praying with the Word

Your ways are not my ways, O God, although I must admit that at times I wish they were. Help me seek to live your ways when I most resist them, so that entitlement can become gratitude and envy can be replaced with affirmation.
